Declaration of Safinder Singh

Declaration of Safinder Singh

Safinder Singh state as follows:

I am over the age of 18 years.

I am the Enforcement Director for the Central Alabama Fair Housing Center. In

Urban Development's Office of Fair Housing and Equal Opportunity

On November 28, 2011, I visited the website of the Houston County Probate

Office, at the web address <http://www.houstoncounty.org/dept.php?id=12&page=5>. When I

visited this website on November 28, I saw a notice posted on the website that stated: "\*\*\*\* ACT

2011-535 IMMIGRATION ACT-Proof of United States citizenship is required when renewing

all manufactured homes." I visited this same notice posted on the Houston County Probate

Office website on November 29, 2011.

I called the Houston County Probate Office on November 28 and asked if a

driver's license is still required to renew a manufactured home registration. A driver's license

constitutes proof of U.S. citizenship under HR 56. I was told by a representative of the Houston

County Probate Office that a driver's license is still required.

I visited the Houston County Probate Office website again on November 29

2011. The notice posted at the web address now states: "PROV 2011-535 IMMIGRATION

ACT-Proof of United States citizenship is required when renewing all manufactured homes (not

required at this time due to temporary restraining order per U.S. District Judge Myron

Thompson from November 23, 2011 to December 7, 2011)." A true and correct copy of the

November 29, 2011 notice posted on the Houston County Probate Office's website is attached

hereto as Exhibit 1.

I hereby declare under penalty of perjury that the foregoing is true and correct to the best

of my knowledge and belief

Executed this 29th day of November, 2011.
